Where Color Meets Care

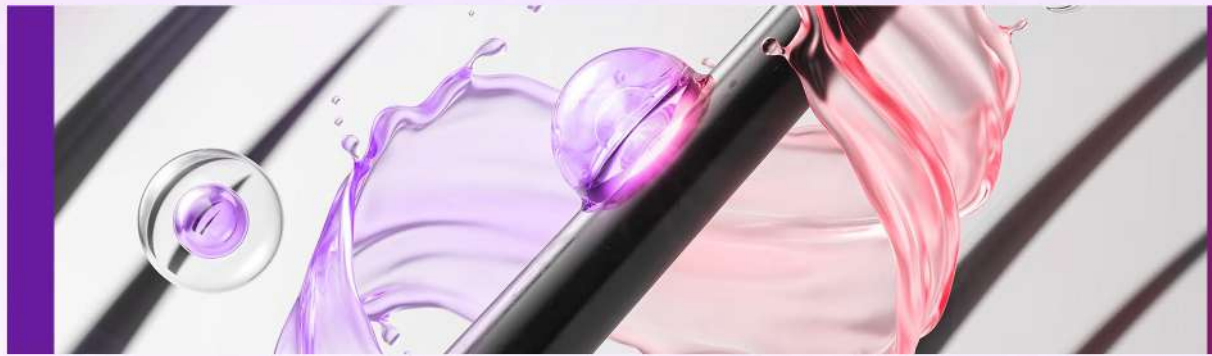

Where Color Meets Care

India's hair deserves a brand that understands its beauty and its challenges. CHROMASILK is a next-generation hair color range created to meet the evolving needs of Indian consumers. Our formulas blend global innovation with ingredients inspired by nature, delivering rich, vibrant color and salon-grade care in every application.

WHY INDIAN HAIR NEEDS SPECIAL CARE

Designed for Indian Hair. Because It's Unique.

Indian hair is naturally thick, often dark, and prone to dryness and frizz due to the climate and frequent styling. CHROMASILK colors are specifically formulated to:

Penetrate dense strands evenly

Offer long-lasting, fade-resistant shades

Protect against heat, humidity, and pollution

Nourish hair with every color treatment

OUR FORMULA DIFFERENCE

More Than Color.

It's Hair Therapy.

Low Ammonia Formula

Gentle on scalp,
safe for
frequent use

Keratin + Argan Oil

Smoothens,
strengthens and
adds mirror shine

UV & Pollution Protection

Shields color from
fading in
urban environments

Cream-Based Texture

Easy application,
no dripping,
pleasant fragrance

100% GREY COVERAGE PROMISE

No Grey.

No Guesswork

CHROMASILK guarantees full grey coverage in one application. Our high pigment load and smart base technology ensure even stubborn greys are seamlessly colored without patchiness. Suitable for first-time color users and seasoned professionals.
